A promotional video can be viewed on our YouTube channel at <https://www.youtube.com/watch?v=P5nEjq2IRz4>

We want to restate our practice of first considering families who have never had the opportunity to attend the Family Education Program. Members are not eligible if they have attended within the last 7 years. The program is open to all Unifor members and their *immediate* family. For the purpose of the program, *immediate* family is spouse/partner and dependent children (up to and including age 18 only). **THIS DOES NOT INCLUDE GRANDCHILDREN, NIECES, NEPHEWS, ETC.**

We hope you will do your utmost to promote this amazing opportunity to all Unifor members in your local. If you have any questions, please contact Madison Yourth in the Port Elgin office at 1-800-265-3735, extension 3215, or by e-mail at family.education@unifor.org

Unifor Family Education Program

What is the Unifor Family Education Program?

This is a unique program where members and their families learn about our Union and about issues facing Canadian families.

[ADULTS](#) will discuss current economic and social issues from a worker's viewpoint, as well as the history, structure and policies of our Union. We will also have a number of excellent guest speakers on topics that touch the lives of workers every day: changing society, globalization, our health care system, coalition building, human rights and equality issues, to name a few.

All sessions are held in a comfortable and very informal setting.

[TEENS – 13 to 18 years](#), will be involved in their own program that will be geared to the concerns and issues of their age group. Again, the setting for their discussions is informal and relaxed.

[CHILDREN – 4 to 12 years](#) will have a program supervised by trained recreation counsellors with activities ranging from arts and crafts to games and sports.

[CHILDREN – infants to age 3](#) will be cared for in the day-nursery, complete with infant daycare and preschool facilities - including sleeping accommodation, enclosed playground and qualified staff. Please note that infants must be enrolled in child care and will not attend the classroom sessions with parents.

Will there be family time?

Discussions in class generally run from 9:00 am to 4:00 pm. Evenings are free to enjoy an array of organized and unorganized recreation activities.

If this sounds like something you and your family would be interested in, complete an application and submit before the registration deadline of Friday, April 17th. (See application to find out where to return your completed application.)
